'I Can Only Imagine' Movie Opens March 16—3/16

New Christian Outreach Movie + Church Campaign Resources

See <http://www.icanonlyimagine.com/> for trailer.

The song "I Can Only Imagine" not only topped the Christian music charts, it was also a major hit on country and contemporary radio stations as well. With a true story of redemption and an outstanding cast that includes Dennis Quaid, the movie will have a broad appeal for moviegoers.

The local church has been charged with the mission of sharing the hope of the gospel, but it can be challenging in a relentlessly broken world. Unite your community in a fully integrated discipleship curriculum and reveal the God who loves people more than they can imagine.

Have you ever felt rejected, guilty, or broken? Before he became the lead singer of MercyMe, Bart Millard suffered through a painful childhood, which led to him building walls around his heart. In the movie, **I Can Only Imagine**, Bart shares his story and leads you on a redemptive journey to see yourself through God's eyes. Find rest in His approval, purpose, and eternal hope as you reveal the heart of the God who loves you ... more than you can imagine.

Also available are **Bible Study and Church Resources**, and dynamic **Student Devotions**. Official Church Resources—*From City On A Hill*—can be found at the following link: www.icanonlyimagine.com/resources
